*\*\*Objective to Purity Fear Factor: Things don't always appear as they seem*

**\*\*\*Purity fear factor includes: Whipped cream pie, Ice cream with mayo, all shook up (milkshakes) and Banana relay**

### **Whipped Cream Game**

Objective is to eat the Whipped cream pie the fastest,

In 3 pie pans are sardines and in 3 are candy all covered with Whipped Cream.

Lesson is that the world offers us things that look appealing to the eye and in the end it is something that is disgusting. Whereas God offers us great and wonderful things.

### **Ice Cream and Mayo**

Objective is to eat the Ice cream cone the fastest

Lesson is that the world offers us things that look appealing to the eye and in the end it is something that is disgusting. Whereas God offers us great and wonderful things.

### **Milkshake**

Objective is to drink the milkshake the fastest

Lesson is that what we bring into ourselves can harm us.. Things may look good and be eye appealing on the outside, however a little poison can harm our spiritual life.

### **Banana Relay**

Objective is to pass the banana down the line the fastest while squeezing it than the person at the end of the line has to eat it the fastest they win.

Lesson is that would we want a gift that has been passed around by others? Or has been used? So this is an encouragement to save yourself for marriage.
